

Message from the Agencies:

On behalf of the staff and the Board of Directors of the Central Alberta Sexual Assault Support Centre and the coalition that began dreaming of a Central Alberta Child Advocacy Centre, we would sincerely like to thank the Cabinet and the Celebrity Dancers of the Sheraton Celebrity Dance Off, for believing in our vision. The relationship that has formed between these two agencies is one that will benefit the community for years to come as we work together under one roof to enhance the lives of children and families. The Central Alberta Child Advocacy Centre and the Central Alberta Sexual Assault Support Centre have formed a partnership that is unlike any in Alberta or in Canada, we believe this model will be the bench mark of the future for integrated services that extend from childhood to adulthood. The support of our community and its leaders have allowed this dream to become a reality and for that we cannot thank-you enough.

Terry Loewen, Co-Chair CACAC

Mark Jones, Co-Chair CACAC

Patricia Arango, Executive Director CASASC
